## Your comments on the course?

It was a useful way to learn some key knowledge on a broad variety of topics. The course also allowed me to highlight my weaker areas which will help me to target my revision over the next 6 weeks. Tom was a great teacher and I found the concept of committing an answer to paper really useful to establish if I really did know something.

Amazing, interactive. Great content - love the resources

Really great

Great

Amazing, such a useful and comprehensive day. Excellent value for money. Tom is excellent and the resources are brilliant, top quality.

It was really helpful

Very interactive, engaging, highly recommend to anyone preparing for AKT

loved the questions before then answers. was a good boost to the exam.

Good presenter very knowledgeable and good format but questions are too simple as compared to AKT reality

Excellent revision

Very informative but could do with shorter breaks

I hoped to be online

Perfect pace, great scope. Great for revision

Really good

Well organized and structured. Covered important high yield topics and kept the course interactive and interesting.

Extremely helpful, can't be happier

Had lots of fun on the course. Very interactive. Loved that the slides were not overpacked. Pacing was excellent. Did not feel exhausted at the end of it.

Brilliant course, very thorough, covered loads.

Good, concise, promoted retrieving existing knowledge and solidifying it

Very interesting 🙌

A good summary of everything and very interactive

Really engaging course featuring clear explanations of high-yield concepts.

Thank you so much! It was a great session covering high yield facts, and covered a lot of information. Made interesting throughout

Great high yield topics, good resources to take home, relaxed atmosphere

Very interactive, fun, visually appealing. Didn't feel exhausted by the end of it!

really interactive and well presented. easy to follow and succinct. really good pace and loads of breaks that were well timed. good use of memes
